MOVING DAY is hard work and confusion. Disassembling and moving the big press, piece by piece, was something of an engineering feat. Atop the press, Bob Gaston figures out where the rope must go, aided by Harold Gaston (partly hidden by chain) Don Gaston and Howard Shepard.

First Issue Printed At Victoria Street

This issue of the Antioch News is unique—it's the first one to be printed at our new building at 906 Victoria St. After thirty-five years at 928 Main St., the Antioch News is moving to a new home.

Moving day for the big press started late last Wednesday. In order to get the press moved, re-assembled and in working order in time to print this week's papers, it was necessary to print an eight-page paper last week.

Last Round Of Bridge Match

Team after team has gone down to defeat in the Lions Club Bridge Match, and the time of the finals is near.

All the teams, except two in the winning bracket, and two in the consolation round, have been eliminated. The last match will determine the champion, and the winner of the consolation bracket.

Dr. and Mrs. Kopriva finally defeated the team of Ellen Tossey and Lilly Petty, after a tie and a re-match. Dorothy Olson and Marge Beitzel defeated the team of Pat Herbert and Ellen Ryan, to win a chance at the championship.

The final match will be played in public, probably the end of next week, according to Elmer Eberman, chairman of the tournament. Dr. and Mrs. Kopriva will play the Olson-Beitzel team, with the winner being declared Antioch's Champion bridge players.

Competing for the championship of the consolation bracket will be the team of Mrs. Margaret Gaston and Mrs. Helen Vogler, playing Mr. and Mrs. Dan Maras. Mrs. Gaston and Mrs. Vogler defeated the Elmer Ebermans to reach the final round, and the Maras won over the Walker Lyons.

Report Trains Block Roads

Trains blocking highways for extended periods of time may be only a nuisance to you, but to police, fire departments, ambulances, and doctors, the delay could have serious consequences.

The law regulating railroads, and their blocking of highways was enacted in Illinois in 1874, and says blocking of highways may not exceed ten minutes.

The Lake County Safety Commission asks that citizens take it upon themselves to time these delays, and if the law is violated, notify the Safety Commission, giving details: date, time, crossing, and if possible the engine or train number.

If enough violations are reported and acted upon, the situation will no doubt be improved.

Don't be selfish and consider only your inconvenience; maybe the next time your home will be burning, or a member of your family may be waiting for a doctor or ambulance.

Report violations, to: The Lake County Safety Commission, either by letter to, 211 Peterson Road, Libertyville, or phone, 362-0470.

This meant that it was necessary to omit several news items, and we apologize to those organizations and persons whose stories were omitted.

With the press at the Victoria St. address and the rest of the machinery and the

work force at the Main St. address, it will again be necessary to print a small edition this week. We will, in fact, be operating under some difficulty for the next two weeks, as moving is underway. We hope you will bear with us during this time.

High School Board Hires New Teachers

The Antioch High School Board of Education met Wednesday night, April 13, to canvass the vote in the recent election and to re-organize.

Robert Denman, re-elected to the board in Saturday's election, was also re-elected President of the Board. Denman is starting his ninth year as Board President.

Roger Prosise was re-elected secretary.

The resignations of four teachers were accepted by the board. Mrs. Jana Schuelke, English department, resigned to accompany her husband, who is entering the armed services.

Darlene Jaschob, Home Economics, resigned because she is getting married.

Barbara Boynewicz, counselor, also had domestic reasons for leaving.

Dennis Sullivan, for three years Director of the Audio-Visual department, resigned to accept a position as Assistant Director of the Audio-Visual department of the Peoria Public Schools.

Calvin Bickie, Zion, was hired by the board to fill a custodial vacancy.

The board also employed two teachers. Kenneth Raymond will be in charge of the new French course at Antioch High School. He will also assist in the English department.

Mr. Raymond has taught French for three years at New Richmond High School, and received his B.S. degree from Wisconsin State College at Superior, Wis.

The board also employed Robert Burton to serve as Director of the Reading Improvement, the last two years at Marion Military Institute in Marion, Alabama as Director

Formation Of Park District Considered

Anyone interested in the formation of a Park District in Antioch is invited to attend a meeting at the Antioch Rescue Squad building next Tuesday night at 8 o'clock.

Richard Daniel, one of a group working on details of the proposed park district, said letters had been sent to all civic groups. At Tuesday night's meeting, representatives of various groups will report on whether or not their group will support the Park District.

Tree Planting

The Antioch Garden Club will commemorate Arbor Day Friday, April 22, by donating and planting a red maple tree on the lawn in front of the Village Hall on Main St. at 11 a.m.

Arbor Day is known as the only American holiday that looks to the future instead of commemorating the past.

of Reading. He is from West Frankfort, Ill., and has a B.S. degree from Murray State College, a Masters from the Tennessee Technological University, and did additional graduate work at the University of Alabama.

The board approved a request under the National Defense Education Act for equipment and material. The equipment will be used in the areas of Reading and English, Social Studies, Science, Foreign Languages and Mathematics. The equipment will cost about \$9,190 and Federal government pays 25% of this amount.

Three members of the Antioch police force recently graduated from the police training school at Libertyville sponsored by the Lake County Law Enforcement Association and the local FBI. The course was a basic training course for police personnel. The three Antioch graduates are Patrolmen Arthur Wertz, Thomas Ring and Jack Davis. They studied under FBI instructors and local law enforcement agencies.

The NICC Forestation Committee is making ready to celebrate Arbor Day by helping school children of the area to plant trees.

Lotus, Grass Lake and Oakland Schools will be the scenes of this year's plantings, with children from the Antioch Grade School participating in the planting at Oakland.

The Northern Illinois Conservation Club has been planting the trees at schools since 1961. It's all part of their program to teach Conservation in the schools.

Members of the Forestation Committee are Chairman George W. Jensen, Edward Kugle, John Lacina, Richard Miller, Harry Stern and Charles Wertz.

The schedule of planting is Wednesday at 1 p.m. at Grass Lake School, Thursday at 1 p.m. at Lotus School and Friday at 1 p.m. at Oakland. The Oakland planting was first scheduled for Tuesday, but was rained out.

Federal Funds Finance ACHS Reading Project

Antioch High School officials announced recently receipt of a letter from Ray Page, State Superintendent of Public Instruction, giving approval to an \$11,000 project to aid the high school district in solving basic serious problems in reading.

Funds for the project are in the form of federal assistance under The Elementary Secondary Education Act, public law 89-10, Title 1. This law encourages school districts to propose creative projects, according to the most elementary needs of the district, in order to aid the neediest students in the district.

The new project will operate for eight weeks in the high school building beginning June 20. Two reading specialists, two language arts teachers, librarian, and a guidance counselor will be available to the students in the project. Administrative costs will also be absorbed by the incoming funds.

Classes will meet in two two-hour sessions each morning. There will be four classes in operation each period which will provide a fifteen to one student-teacher ratio. The classes in reading will be supplemented by the added session in study skills and language arts.

Under this project, students will pay no tuition and will be offered transportation using school district buses. Other students attending the regular summer school program will

Prizes Galore In Treasure Chest

Antioch shoppers and merchants are anticipating one of the most value-packed retail promotions ever held in the town starting May 5.

The "Treasure Chest" hunt gives every shopper two chances to win a prize, plus bargains galore being planned by all the stores.

The attractive Treasure Chest used in the promotion is on display in the window of the Antioch News, and also in some of the other stores.

Lucky Coupons will be printed in local newspapers. Customers can pick up a key by submitting the coupon to any of the participating stores. Try your key in the Treasure Chest, and if it unlocks the Chest you win a prize.

Even if your key fails to be one of the lucky ones, you may still win a prize. All coupons will be put in a container by the Chamber of Commerce. Drawings from the container throughout the promotion will determine winners of other prizes.

A roving mobile unit will announce the winners at various times throughout the day. Prizes for the drawings are donated by participating merchants and by non-participating.

NICC Helps Students With Tree Planting

Daylight Saving Time Starts This Sunday

It's really Spring! Sunday, April 24, is the day to set your clock ahead an hour—the day that you get up an hour earlier, but the clock says it's your usual time, and the day when the clock says it's 5 p.m. at 4 p.m. Or something like that. Anyway, you'll have an hour more of daylight at night, to use as you wish.

The advent of daylight saving time has come to mean the advent of summer. Whatever the weather may be, the working man (or woman) is given more time in the evening to enjoy it.

Daylight saving time bows in at 2 a.m. next Sunday.

Dinner For Froelich

A testimonial dinner will be held April 23 for Norris Froelich, Republican candidate for sheriff in the June 14 primary election.

Festivities will get underway at 7 p.m. at the Rustic Manor in Gurnee.

The testimonial dinner is being put on by citizens of Lake County, who back his candidacy. Herbert Horton, Sr., of Antioch is a member of the committee.

Police To Send 2 Boys To Camp

Two boys from the Antioch area will be sent to summer camp this year, at no expense to their families, thanks to the Antioch police and the Policemen's Benevolent and Protective Association of Illinois.

Actually, merchants and businessmen in Antioch and the surrounding area will be footing the bill for the camping vacation, through the ads they placed last year in the Publication put out by the Policemen's Association. The ads were solicited by representatives of the Association last July.

Any boy in the Antioch area who wants to go to camp should submit his name to the Antioch police, along with a short essay telling why he wants to go to camp. Remember to include your name and address, and telephone number if you have one.

Three judges, members of the police department, will select the two lucky boys from the essays turned in. The winners will not necessarily be selected because their essays are the best-written. Simplicity and reasons will be important.

Any boy, 8 to 14 years old,

"On Borrowed Time" Next 2 Week Ends

Another opening night is approaching for P.M.&L. "On Borrowed Time", directed by Josef Hunley, will open this Friday night, April 22, and will also play on April 23, 29, and 30.

If you like to laugh a lot and cry a little, don't miss this comedy-fantasy because you'll do both. The deep love shared between the boy Pud (Jay Horton) and his Gramps (Bob Lindblad) is a joy to behold. Your feathers will ruffle at prissy-strait-laced Aunt Demetria (Charlotte Worswick) who causes nothing but trouble as she tries to guide and change Pud's destiny. Mr. Brink, Death, (Gary Richter) is a shadow of doom that hovers over the happenings in the story, and although Gramps seems to conquer him for a time, he has the last say—

Extend Mains In Several Areas

The village board was confronted by a problem Tuesday night not covered in any ordinances—Harry Cole asked permission to move a windmill, about 50 feet high, on to a recently-purchased lot on Bishop Street. "There's nothing in the Zoning book on windmills," commented Trustee Robert Wilton. The board approved the request, with the provision that it be safely installed, and oiled regularly to eliminate squeaking.

The board decided to advertise for bids on sewer and water mains to be constructed to serve the southeast industrial area, and to re-advertise for bids on the Anita St. sewer, in spite of the operators' strike which has halted such construction.

Engineer Roger Patzer advised the board to proceed with the bids, as the duration

of the strike was uncertain. The sewer and water mains to the southeast industrial section will serve the new Lyons & Ryan building, plus other construction. The board approved proceeding with the bids, with the provision that the cost of the work be deposited with the village by the interested parties before work begins. After completion, the mains become the property of the village.

No Planning Commission
Mayor Ray Toft announced that the Zoning Board of Appeals had refused to also serve as a Planning Commission, and that he would appoint a separate Planning Commission, probably within two weeks.

The board approved several tag days. May 27 and 28 were designated Poppy Days in the village at the request of

The Legion Auxiliary No. 748. John Warsing asked that a proclamation be signed designating June 17 as Little League Day. The Mayor signed a proclamation designating May 1 as Law Day.

The Junior Chamber of Commerce asked permission to use water from a village hydrant for a car wash in the plaza parking lot May 28. Purpose of the car wash is to raise money to sponsor a Little League team. The request was approved, coating on the payment of \$1 for use of water.

The committee working on installing a parking lot behind the stores on the west side of Main St. reported good progress with all land owners that they had reached in favor of the plan.

The board voted to accept the proposal of Jedede & Cain to audit the village books at a cost of \$800, on the recommendation of Dave Nissen.

Salary schedules for the fiscal year starting May 1 were recommended by Chairman Irving Walsh of the Salary committee and approved by the board.

Raises in pay were given to the following: Superintendent of Public Works Edgar Simonson to \$7,300; Police Chief Jack Heick to \$7,000, with an additional \$200 a year for serving as Juvenile Officer; Martha Hunter, to \$2,00 an hour; the Mayor's salary to remain at \$600 a year until May 1, 1969, when it will be raised to \$2,000; Civil Defense Director, \$600 a year; Charles Maplehorpe to \$6,800; Garnette Odden, police clerk, to \$75 a week.

The board approved a motion to give George Boyd, who recently left village employ, one week's vacation pay in view of the accumulated overtime, with the provision that no more vacation pay would be given any person voluntarily leaving employment with the village, or anyone who was discharged.

Chairman of the police committee Arthur Meierdick requested that something be done about incorporating village traffic ordinances into a book. Police Chief Jack Heick said the local police were of-

3,000 Attend State Bank Grand Opening

Officials of the State Bank of Antioch estimated that over 3,000 people attended the bank's Grand Opening last week. An uncounted number of floral pieces, sent by friends and well-wishers for the occasion, were displayed throughout the building.

The bank's directors and their wives, the officers of the

bank and their wives and the personnel were on hand to greet visitors and show them through the new building. A TV set, a barbecue, and a \$50 savings bond were given away, plus hats, playing cards and pens, souvenirs given to all who toured the building.

Coffee and cake were served in the basement lounge.

THESE ARE THE WINNERS at the Grand Opening of the State Bank of Antioch, with their prizes. Left to right, George Anderson, Rt. 1, Trevor, with his Charnlow barbecue; Lillian Leacher, Rt. 1, Box 395, Bristol, with the TV which was her prize, and John Golden, Rt. 2, Box 681E, Lake Villa, who received a \$50 Savings Bond.

A Slow Start Toward Safety

Safety in cars is on everyone's mind these days, with publicity resulting from Ralph Nader's book and the violent reaction of the car manufacturers to his accusations.

The Senate hearings have kept the subject before the people, and for the first time people are beginning to realize that safety features can be incorporated into cars and may be more important than appearance or horsepower.

Car manufacturers have vainly tried to head off Federal regulations by pointing an accusing finger at bad highways and incompetent drivers. There's no doubt both are contributing or main causes in most accidents. This doesn't lessen the necessity of building every possible safety feature into cars. With the terrible toll of life that highway accidents are taking, every possible preventive measure should be taken.

It isn't hard to understand the auto manufacturer's resistance to Federal controls. Nearly everyone hates to see the Federal government extend their controls. But would we be willing to give up Federal supervision of drugs and food-stuffs? Surely there is good reason to take some measures to protect the unwary customer from a dangerous car, as he is now protected from dangerous drugs.

No one thinks to protest against regulations covering the construction of buildings, safety from fire, disposal of sewerage. We've found by experience that such regulations protect us and endanger the lives and property of his neighbor with an unsafe building. True, such controls are state or local, but a state or local government could hardly hope to impose controls on the huge automobile manufacturing business.

The threat of Federal control has already brought announcement of speedy introduction of safety features into the new cars. Cars on display in the International Automobile Show in New York are displaying safety features never shown before.

Two Italian-made cars in the show are said to incorporate nearly every safety feature that is believed practical. The doors slide open, instead of swinging outward; a passenger-compartment shell, within the outer shell, protects the occupants against impact, and absorbs the shock. If the car turns over, the ignition automatically cuts off to prevent fires.

What will the customer response to safety features be? That's partly up to the car salesman. If they point out and enlarge on the safety features, if safety features are stressed in advertising as speed and design now are, the customer will be looking for safety.

The discouraging part of this whole investigation of auto safety is the realization that the auto industry has had these safety features available and has "sat on its hands," concentrating on flashy features to sell more and more cars. Perhaps a Ralph Nader is needed to come up with an expose of neglected highway engineering, of ways of controlling unsafe driving.

The stakes are high, in life and injuries. And in money. Let's hope the subject of safety on the highways is pursued, from every approach, doggedly and without regard to politics.

The Grass Is Greener...

Doesn't it seem as though the grass turned green overnight? I was beginning to fear for those May flowers that the April showers are supposed to bring, but those showers have come thru in fine style this week.

A NEWS First

The edition you're reading now was written and set-up in our old quarters and air hammers, confusion, and just plain noise. But this is the first edition to be printed in our new home. That much of us is now moved in.

Finished Product

Stopped in the State Bank for their Grand Opening last week, and couldn't help but marvel at all the beautiful flower creations. Congratulations to one and all.

D. L. and Sons!

It was a bouncing boy for Don and Justine Lubkeman, weighing in at 8 lbs. 4 oz.

Successful Evening

Last Saturday's Cotillion a Go-Go proved to be a very enjoyable evening on everyone's part. One gown was just as beautiful as the next. I think that Antioch can boast of the most attractive

women in Lake County. To say nothing of those dapper gentlemen who were sporting tuxedos, etc. Seems to me that we should have this type of dance more than once a year!

Cruising Couple

Just returned from a cruise in the Caribbean are Trudie and Ben Andresen. They kept that moving camera loaded during the entire trip, and now have some interesting sights and scenes to show their friends.

Congrats!

Much of the credit goes to our Antioch Police on the recent arrests of a local burglary ring.

It Couldn't Happen Again?

One of the unusuals happened last week, when the Lily Petty-Ellen Tossey, Kopriva bridge match ended in a tie.

Courthouse Notebook

BY LOU DURKIN

By Lou Durkin

The baseball season has opened, new Easter bonnets have been paraded and the income tax has been paid so now it is time to get down to the serious business of picking county and legislative candidates to represent the respective parties in the November general elections.

Chicago's baseball teams, the Cubs and the White Sox will have a new look and a new sound with Eddie Stanky restoring the Go-Go image of the White Sox and Leo (the Lip) Durocher hiding the deficiencies of the north siders with a smooth coating of blarney and Durocher color.

Politics in Lake County will have a new look this year during the June 14 primary campaign, but there will be little change in the sound with only the names and tone being different.

Part of the spring campaign will be devoted to explaining the intricacies of machine voting, a first for Lake County, and a boon to political officials who like to hang around until the results are all posted.

County Clerk Gar Leaf is setting up schools of instruction for precinct judges and clerks so they will understand the new voting process and many organizations are having the machines demonstrated.

It will not be exactly coincidental if the "instructor" at these voting machine sessions turns out to be Truman Gerretsen, who has been hand-picked by Leaf to succeed him as County Clerk.

This will provide potentially valuable exposure for Gerretsen, who also manages to get in a bit of campaigning while issuing marriage licenses and other documents across the counter in the County Clerk's office.

This plus the endorsement by the Lake County Republican Central Committee in its unpopular, but successful slating convention gives Gerretsen a pretty good edge over Robert (Mickey) Babcox, who is seeking to return to political life after a brief interlude as a sand and gravel magnate.

With three successful campaigns for County Coroner behind him, Babcox probably has a better personal following among the voters, but he recognizes the need for an exceptional effort on his part to overcome Gerretsen's edge.

The sheriff's race has a new look to it with the office candidate, Chief Deputy Norris Froelich, missing out on the party endorsement to Sheriff's Captain Harold Scheskie.

The candidate presented by the Sheriff's office has traditionally been the favorite and the man to beat because of the strong organization within the office, but efforts in recent years to make the department more of a police organization and less a political machine have sapped some of its strength.

Froelich is not without resources, however, as witness the upcoming testimonial dinner at the Rustic Manor, Gurnee, the third such event in his honor since the campaign got under way.

Fuming, smoking, roaring screaming mad!

Why? Ran into a fellow in the street, a boy about 12, just the type you imagine as an ideal Scout. Was he a Scout? NO!

"Why not?" says I. "Because nobody ever asked me," he replied.

The fellow I called this week had been a very good Cub Scout. "What Troop are you in now?" I asked.

"I'm not a Scout," he replied. "Why?"

ten stymied in court appearances by being unable to present to the judge the village ordinance violated. The ordinance, he said, stretch back to the late 1890's with many amendments, and are kept in loose leaf form.

Meierdick volunteered to compile a new code for the village, to be printed. Mayor Toft recommended that all committees appointed on May 1 start work on compiling ordinance books for their particular departments.

Chief Heick also asked the board to consider hiring an attorney to represent the village on court days. Mayor Toft pointed out that a small town could not afford the expense of such a move, and recommended that Heick contact surrounding towns with a proposal to cooperate in hiring an attorney on a cooperative basis.

Liquor licenses for the following people were approved and paid for: Weasel's Lounge (Class AA) \$600, including the privilege of staying open until 2 a.m. on weekdays, 3 a.m. on weekends; Cole's Tavern, Class AA; Ralph Thompson, Class AA, \$500; Casey's Tap, Class AA, with the provision that the license be granted to cover the tavern's moving to 912 Broadway on Sept. 1; Smiley's Corner, Class A, \$500; the A & P, Class G, (Beer); the IGA, Class B, (package liquors), \$400; and the Antioch Liquor Store, Class B, \$400. The Antioch Moose were granted a Club license for \$100.

The Mayor presented plans drawn up by Edgar Simonsen and Tod Maples for extending four water mains. He pointed out that several thousand dollars would be saved by having the plans drawn up by village employees, rather than an engineer, and the work done by village employees.

The plans included extension of a water main on North Ave., for 170 feet, to extend past the Sales Barn. This would permit the village to flush the line to remove minerals. Cost was estimated at \$479.

Area 2 was to loop the water line from Henry St. to David St., at a cost of \$626.

Area 3 loop water main from Park Ave. to Ida, estimated cost \$1,113.40.

Mr. and Mrs. William Hansen, Beach Grove, were guests of the Robert Terry family of Decatur, Ill., for two days during the Easter vacation. Mrs. Terry is the former Carol Hansen.

Mr. and Mrs. Alex Hoffman, Grass Lake, have been entertaining quite a lot of company during the Easter holidays. Mrs. Hoffman's cousin, Miss Alvina Koepke of Chicago, has been a recent guest, and Mrs. Hoffman's two granddaughters, the Misses Susan and Lynn Block of Glenview, have

been spending some of their vacation at the Hoffman home. The Hoffmans also had 12 dinner guests on Easter Sunday.

The Robert H. Dunlap, Jr., family, Grass Lake, had a combination birthday and Easter dinner party at the Edward Jahneke home, Beach Grove. Lenore and Bob Dunlap's birthdays are April 7th and April 15th, respectively, so that was the reason for the combination party. Cadet 2nd Lt. Ed Jahneke, Jr., was in Fort Hood, Texas, for his Easter leave, so could not be present for the family party.

Mr. and Mrs. Ray Rathmann of Antioch, accompanied by their daughter, Wendy, and son, Larry, and three of Larry's friends, Danny Lasco, Leo Luloff and Jimmy Riezing, took guided tours of the Parker Pen plant, and the Chevrolet and Fisher Body factory at Janesville, Wis., on Easter Monday.

The card party, which was sponsored by the Legion of the Moose and held at the Antioch Moose Home on Saturday evening, April 16, carried a fair turn out for the event. The proceeds will be used to further aid the cost of expenses of work being done at the present time.

There were 14 members present at the Legion get-together held at the Antioch Moose Home on Sunday, April 17. The date for the Legion dinner, which was previously set for Saturday, May 14, had to be changed to Tuesday, May 17, to convenience those who were unable to attend the earlier date. This dinner will be the last get-together for the Legionnaires for the summer months until they resume their meetings in the fall.

The Legion Board of the nominating committee will meet at the Waukegan Moose on May 8, and a Legion Ceremonial with election of new officers will be held also at the Waukegan Moose on June 19.

With election of officers over, the Antioch Loyal Order of Moose has set Saturday evening, April 30, as their date for installation. Newly elected officers to be installed on this day are: Richard Jorgensen, as governor; Seth Mark, Jr., vice governor; Warren Andre, prelate; Harvey Gehrls, treasurer; Paul Mallory, trustee; and Art Andersen, who has just returned from a two week vacation in Florida, remains as secretary.

The art classes for beginners in oil painting, which meet at the Moose Home on Tuesday evenings, have just gone into their second week. There is still time for anyone who is interested in taking lessons to join by calling Mrs. Paul Perry, conductress of this affair at 395-1209. She will give you all the necessary information.

The Women of the Moose, upon receiving a special dispensation from Mooseheart, will hold an enrollment of new members at their next scheduled meeting, April 21.

A meeting for the L.O.O.M. will be held on Wednesday evening, April 27th and following the meeting a dinner will be served to all members attending. This dinner is to honor all members who celebrated a birthday in the month of April.

GRASS LAKE PTA ELECTS OFFICERS

The Grass Lake PTA elected officers for next year at the April 18 meeting. The new officers are Mrs. Bernice Seymour, president; Mrs. Marilyn Haling, first vice president; Mrs. Barbara Smith, second vice president; Mrs. Corinne Ahear, secretary; and Mrs. Betty Brown, treasurer.

Guest speaker for the evening was James Prince, who spoke on the "New Outlook on Education." Refreshments were served by the third grade mothers.

"STRAW SHOW" BY LAKE REGION JAYCETTES

The Lake Region Jaycettes will sponsor a "Straw Show" Tuesday, April 26, at the Antioch Savings & Loan community room. The demonstration will start at 8 p.m.

Hats, beachbags, purses and a variety of summer accessories will be shown. The public is invited. Refreshments will be served.

"ONE DEMAND OF THE PRAYER THAT HEALS"

What does prayer demand from us? Many people long for help and healing — and are ready to acknowledge what prayer has done for others. But they wonder what is really required of them when they pray. Listen to this program.

Hi Neighbor Winner Announced

The Winner for March of the "Hi-Neighbor" Coupon Promotion was picked at Mari Anne's, 931 Main St., Antioch. Mrs. C. Geist of rural Antioch was the winner and her prize was picked from a collection of Kay Whitney summer dresses. Left to right, Marion Pechousek of Mari Anne's, Larry Cossoff, Publisher of Hi-Neighbor and Mrs. C. Geist, winner.

Sequoits Playing 500 Baseball

Coach Bill Seemann's baseball charges at Antioch High School are still rolling along playing 500 baseball. With four games under their belts the Sequoits have won two and lost two.

There are indications that the Sequoits are better than their record shows. So far they have had only one earned run scored against them and Seemann's surprising sophomore infield of Steve Miklautsch, Mike Redden, Al Alexander and Greg Drije have gone the four games playing errorless baseball.

The Sequoits' second loss came against Lake Zurich Thursday when Wayne Channel pitched a two hitter, but couldn't get any offensive support. Channel gave up three walks and struck out eight and collected one of the Sequoits' four scattered hits. Miklautsch and Bob Hockmuth both got on base with singles and Ron Stanek connected with a double, the only extra base hit of the game.

Lake Zurich scored when Channel issued a walk to the Bear's McGrath. Coach Seemann called for a pitch out to trap McGrath in a steal attempt. "Channel apparently missed the signal," Seemann said, "because he put the pitch over the heart of the plate." The batter hit a routine fly ball to center field but Leonard Clark had come in from his position in center to back up second on the play and in trying to get back to make the catch, slipped and fell. The ball fell in for two bases and McGrath scored the winning run for the Bears.

"Channel is doing a great job on the mound," Seemann said. "In two games he has given up only four hits, seven walks, struck out 15 and allowed only one run."

In a game Saturday against Wauconda, Don Mason took the mound for the Sequoits and issued 4 walks, struck out nine, gave up three hits and pitched shutout ball for seven innings to register his first win of the season.

Mason was only in trouble

once. That came in the fourth inning when he issued a walk to Wauconda's Dick Kamerlander. Kamerlander moved to second on a pass ball and then to third on a sacrifice by Jim Wilson. Mason then settled down. Jim Marquart and Mike Redden made a dazzling catch in the Wauconda bench of a fly foul to retire the side.

The Sequoits score came in the first inning when Bob Hockmuth singled, stole second and came in on a hit by Alexander.

Antioch will meet Round Lake Friday and then will play a rain make-up against Grayslake Wednesday. Channel is expected to be on the mound Friday against Round Lake.

Few Veterans On Central High Baseball Squad

Central High's baseball team suffered heavily in graduating eight lettermen, says Coach Arthur Bennett.

Letterman returning to the squad this season are seniors Steven Gitzlaff, shortstop, and Bob Molini, outfielder. Juniors who will be back on the diamond this season are Guy Flasehner, at 3rd and outfield; pitcher Richard Molini; catchers William Ivy and Richard Cook and second baseman Ronald Halbach.

Except for the two seniors, the squad has little experience. "The juniors on the squad," says Coach Bennett, "form a nucleus to build around that I feel will be a good team of these other replacements come along as expected. We have only one pitcher with experience and if he develops as indicated and several other inexperienced pitchers continue to show their previous promise, this department will be adequate."

Strongest competition in the Southeastern Badger should come from Union Grove, who has a nearly in-

Meat For The Table At McHenry Shoot

By Harry H. Stern

The next attraction at the McHenry Sportsmen's trap range will be a Blue Rock trap shoot, held for those smooth-bore gun slingers who like red meat, as well as for those who like to shoot for the fun of it.

Juicy, thick, aged porterhouse and sirloin steaks will be the main prizes and rewards for the dead-eye Dicks and the lucky Pierres; and tender young fryers and loading components for those who prefer them.

Because the McHenry club's shoots have been so extremely popular in the past, this one will be held in two sections, the first coming off on Sunday, April 24, followed by the second on Sunday, May 8. Shooting starts at 10 a.m. and continues until dark.

On the day's program are the discount chicken shoots, as well as the popular triple, double and single white bird events. In the triple white bird matches four prizes are won by every five-man squad,

and it is in these contests that the less proficient shooters take the hot-shots, because here luck counts for more than skill.

Protection and Annie Oakley shoots will also be scheduled, as will 10 and 25 bird practice rounds. Trap officials hope to be able to stage a Jack Rabbit shoot for devotees of that type of competition.

Hot refreshments will be

served up in the warm clubhouse all day long, where wives of the contestants do their shooting from the lip.

Ammunition too, for those who forget to bring or just do not have.

The McHenry Sportsmen's trap range is on the west side of Pistakee Bay and can be reached from the east via Route 134, and from the west from Johnsburg; and from McHenry via Route 120 and Chapel Hill Road.

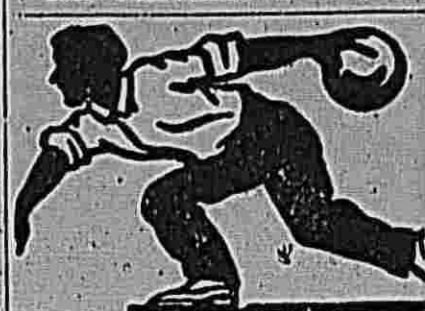

four in a row, but couldn't make 200, winding up with a 199 game.

Wally Latel 181-193-199—573, and John Klecki 207-195-150—558, led Red Arrow to three wins over Paty's Lounge.

Cole's Tavern suffered three losses to Kempf's Tavern.

Next Monday, April 25 is the final night of the season.

The League banquet will be held at The Angels Restaurant on Monday, May 2, at 7:30 p.m. (No wives invited.)

"C'mon Bernie," said Bernie's wife.
"If we buy electric whole-house air conditioning now, we can save money."
So Bernie did.
Did Bernie save money?
You should see his smile.
Read how you can save, too.

The contractors who install electric whole-house air conditioning aren't busy right now (it's between seasons). In order to keep busy they are strongly inclined to make special money-saving deals for smart folks who want to keep cool.

Last year, 25,000 smart Chicago area folks installed electric whole-house air conditioning. Join the smart crowd. (Bernie did.) Your heating contractor can make you a member. Air-condition now.

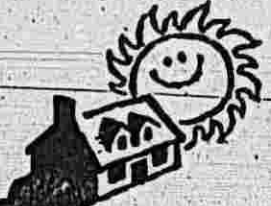

With electric whole-house air conditioning you'll have the least expensive air conditioning available, both in the cost of the unit (as little as \$800 in an average 6-room house) and cost of operation (about 40 cents a day during the air-conditioning season).

And with electric whole-house air conditioning you'll enjoy cool, filtered, dust-and-pollen-free air. You'll be really comfortable, and you'll sleep better and eat better. Best of all, you'll know it is one home-improvement you'll get your money back on if you ever sell your house.

Now you know why 25,000 electric whole-house air conditioners were installed in the Chicago area in 1965. And why you'd better beat the crowd in 1966.

SELF-SERVICE, PRE-PACKAGED MEATS CAN BE A PROBLEM!

You can see the top side of the meat but not the bottom.
So you wonder.
The steak looks good, but is the bottom all bone and fat?
It's a problem...a problem we've given a lot of thought.
We think we have the answer.
We have a policy.
We put the best side down.
The side you don't see is guaranteed to be equal to
or better than the side you can see.

Simple? as ABC.
Effective? No more gamble.
Fair and square? Sure because "We Care."
Is this a good reason for shopping A&P? It's one of many.
